## Applications

POS Signage, in- and outdoor use

## Strengths

High image quality, large colour gamut, unique surface, high whiteness, water resistant

## Compatible Printers

Excellent results on all eco, mild and hard solvent printers as well as on Latex Printers and UV Printers.

## Direction of use

Store material only in original boxes, out of direct sunlight under normal climatic conditions (23°, 50% RH).  
You can improve results by using the best possible printer settings.
