### Description:

SOBF is a glossy, translucent polyester film (frontprint) for illuminated displays for indoor and outdoor use. The foil is designed for top-quality prints with solvent inks. It is characterised by extreme dimensional stability and brilliant waterresistant prints.

To avoid fingerprints it is advisable to wear cotton gloves.

### Small print

Because of the great number of potential influences at object time and applinace of the above-mentioned materials, on which we have no bearing, test prints have to be effected by the user himself. A legally binding warranty can not be deduced from our specifications. Every liability and warranty that goes beyond the warranty of the product amounting to the product's value as well as entitlements to damages are excluded.
